¹The relationship of a victim to an offender is reported only for the victim types of Individual and Law Enforcement Officer that are connected to Crimes Against Persons or Robbery offenses. Relationship data are not collected for victims of offenses reported with an Unknown Offender or of other Crimes Against Property or Crimes Against Society offenses.

²Victims were related to all offenders, whether one or more, of the reported offense.

³Victims were related to at least one of the multiple offenders of the reported offense.

⁴Victims knew, but were not related to, one or more of the multiple offenders of the reported offense.

⁵Victims were mutual combatants (victim was offender) or had an unknown relationship with a single offender. In the case of multiple offenders, victims' relationships were combinations of strangers, mutual combatants, and/or unknown offenders.
